

QUALIFYING CRITERIA

(Any one of the criteria below is enough)

- ✓ One of the parents of the child is on the electoral roll
- ✓ One of the parents has at any time lived in this parish for at least 6 months, or has regularly gone to worship activities organised by this parish church for at least 6 months
- ✓ One of the parents was baptised in this parish
- ✓ One of the parents was prepared for confirmation in this parish
- ✓ If the parents or grandparents were married in this parish.

NB. Whether resident in the parish or qualifying under any of the criteria above, at least one of the parents of the child to be baptised must have been baptised themselves. It is possible for adult baptism to be arranged at an appropriate stage. However preparation for this will take longer than is normally the case for a child's baptism where one of the parents is already baptised.
